

CAMP  
SPOFFORD

# Something New **CAMPAIGN**

For I am about to do something new. See, I have already begun!  
Do you not see it?  
Isaiah 43:19

# SPOFFORD'S *Ministry Impact*

Camp Spofford was established in 1962 by the Evangelical Free Church of America to be a place where churches and families from the Northeast could come and be together. From the very beginning, Spofford has hosted retreat groups, family camps and youth camps for churches and families. As we step into the future, we see something new happening. God is doing a new work to grow the ministry of Spofford. We are reaching our local community more than ever and equipping families to follow Jesus together in their marriages and parenting.

The vision of Camp Spofford is to be a place where "friends and families follow Jesus together." Our goal is to be a place where every guest would know Jesus, follow Him together and rest in the beauty of God's creation. Our ministry is biblically based, focused on relationships and service to others for the glory of God.

# Life Change

## TESTIMONIALS

One of the ways Camp Spofford measures success is through the impact it makes on individual's lives. We measure impact by stories of life change. Here are a few stories.

---

### Retreat Group Leader

We have a few answered prayers - one was confirmation that we were following God in taking on this role and God answered that clearly. For our teens we were praying for encounter and community and both were clear. Middle school boys are reading their Bible, one of our boys is eager to organize a worship team, our girls all started a group chat. Little things, but huge for our group and such answers to prayer.

### Family Camp Guest

Once again, Spofford was an oasis in a crazy world. We're so thankful to be able to come and spend time with other Christians and be able to experience a wonderful speaker as well as just rest and be with family and friends. What a gift Spofford has been to our family year after year. I truly believe Spofford has been instrumental in the ongoing spiritual development not only of our children but in us as adults as well.

### Marriage Retreat Attendee

God absolutely used this marriage retreat to allow us both to process things that are hard to process amidst the busyness of life. He also allowed us to feel a great amount of encouragement in the growth we have seen Him do in our marriage through the years.

New Family Lodge to be completed by Summer 2024

LOWER GIRLS

CHESTERFIELD

COOKS CABIN

# Construction **PLAN**

With sold out Family Camps, Youth Camps and Spofford-led Retreats as well as a full Guest Group calendar the demand for more year-round beds and rooms continues to be a good problem to solve. Lower Girls, Chesterfield and Cooks Cabin are 3 originals to Camp. They have served us well but the reality is they need renovation or removal in order to meet our growing needs and to build new on the property.

Phase 1 will be to completely renovate Chesterfield down to the studs and transform it into a new Girls' Staff Cabin. Chesterfield is double the square footage of the current Girls' Cabin and will comfortably house 21 girls. With all new walls, flooring, windows, vaulted ceilings, bathroom, air conditioning, heat, bunks and bedding - the girls will be well taken care of! Phase 2 will include the removal of Cooks and Lower Girls' Cabin to make space for the new Family Lodge. The Lodge will be located in the current place of Lower Girls, and will have a similar layout to the rooms in Chesterfield. There will be 4 accommodations with 2 bedrooms, a sitting area and bathroom in each. Similar to Granite, there will be a lounge in the basement with a walkout area.

The benefits of these upgrades will support the demand on Camp Spofford. The Girls' Staff cabin will provide a much needed upgrade and adequate housing for High School Girls' Staff. The new Family Lodge will provide new private rooms for families and it will open up 20 more Year Round beds that did not exist before. Upon completion, the project will increase the year-round bed capacity another 10%.

Today's Cost \$950,000

# Something **NEW**

This campaign is about building new, restoring old and preparing for future ministry.

**\$950,000** new construction

**\$250,000** capital maintenance

**\$50,000** seed money for future ministry

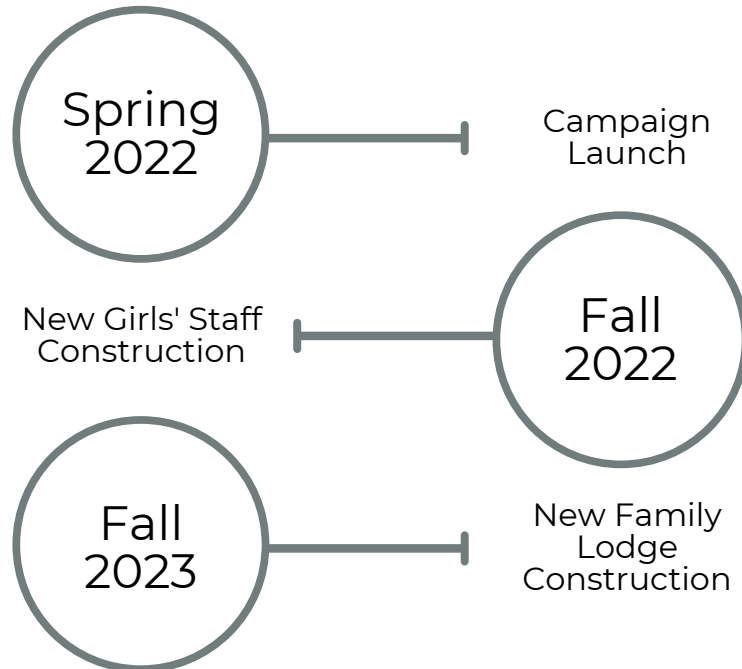

In addition to the new construction, we continue to need funding for the property as a whole. Whether it is a new roof, a new septic or ongoing repairs and upgrades, the Capital Maintenance Fund will ensure the facility is ready for the next generation.

Spofford keeps growing, and is near capacity in all of our programming. As we serve the people who come, we are looking for something new by expanding our ministry to provide marriage and family enrichment opportunities, crisis discipleship for families in need and a discipleship pathway for kids participating in Youth Camp and Summer Staff. We are currently exploring opportunities and partnerships to see how we can expand the ministry at Spofford.

# NEEDED *Gifts*

Praise God, Camp Spofford has always reached its goals with hundreds of donors giving thousands of small gifts. A campaign of this size and pace is a step of faith.

Our journey to Something New and \$1.25 million involves everyone. Pray, listen and follow what you believe God is asking you to give.

Looking at the below gift chart, we need **one champion for every box** to reach our goal. When considering how much you can contribute please keep in mind these amounts are total giving for 2022 and 2023.

**TOTAL RAISED** \$1,250,000
