Our mission since 1962

To be a place where people can **KNOW** Jesus, **FOLLOW** Him together and **REST** in the beauty of God's creation.

What sets us apart? Our counseling staff

We often hear that our counseling staff is unlike anywhere else. Every summer, 16 college students commit their time to serve at Camp and encourage kids. They are used to being goofy, dirty, excited, and unashamed just so that our campers can have a good time here, leave encouraged, and see the life and joy of Jesus in the way they live! They are what keeps us ticking, and we put great effort into choosing our team carefully.

SCHOLARSHIP PROGRAM

We want everyone to be able to experience the Camp life. We understand that for many families, paying for a week of camp is not feasible. For this reason, we raise money every year, largely through our annual Golf Outing, in order to lessen the cost for families in need. We also partner with churches to enable them to reach kids in their communities. For more info, visit the Scholarship portion of our website.
